

Self Evaluation / Feedback

 Reflective  101  Low Trust  5 mins  LGBTQ

Necessary supplies

- Self-evaluation feedback
- Writing utensils

Goals & objectives

- To provide an opportunity for the facilitator to reflect on their own experiences.

Step-by-step walk through

1. While participants are completing their feedback forms fill out the self evaluation feedback form to reflect on your own experiences and thoughts during the workshop.

Make it your own

Ask new questions every time. Add them to the back of the sheet!

Notes

It is important to write the date/time/group you were working with at the top of the sheet so that you're able to compare over time without having to remember what workshop this form is in reference to.

Self Evaluation / Debriefing Form

What went well?

What activity would I do differently and how?

What activity elicited the best conversations?

What would you do differently in general throughout the training?

What were any questions you didn't know how to/wasn't prepared to answer?

General thoughts about the training?

Important people to follow up with...

Thoughts for next time....
