Facilitator SELF Feedback Form

Reflection questions for you to complete at the end of your facilitation

What went well?

What could have gone better?

What aspect of the training do I want to change? How do I want to change it?

What aspect elicited the most learning for the group? How can I recreate it?

What questions or moments was I unprepared for? What follow-up do I need to do before next time?

Anything facilitation-wise I want to change, or try out, next time?

Final thoughts for next time?
